

Congregational and Ministerial Delegate Travel Equalization
2010 PNWD District Assembly • Bellevue, WA • February 19-21
PNWD Business Meeting - Saturday morning, February 20

Travel equalization grants are available for qualifying congregational and ministerial delegates attending the 2010 PNWD District Assembly in Bellevue, WA. Delegates from fair share congregations are eligible for this mileage-based incentive. The **complete list** of congregations paying both PNWD dues and UUA fair share for FY09 is posted on the PNWD website.

To be eligible for the travel equalization, congregational and ministerial delegates must check in at the PNWD Delegate Table after picking up their registration packets. Delegates must be listed on their congregation's Delegate Certification Form returned to the district office by Friday, February 12, 2010. (Delegate Certification Forms will be emailed to congregations in mid-December.)

Each qualifying delegate will be asked to sign the reimbursement request for their congregation when checking in at the PNWD Delegate Table to receive their green DELEGATE ribbon. Reimbursement requests must be signed personally by the appointed delegates. In order to vote at the business meeting and also be eligible for the travel equalization grant, delegates must be checked in before the Delegate Table closes at 7:30 Saturday morning. See conference schedule for list of delegate check-in times.

Reimbursement checks will be made payable directly to each qualifying congregation and issued by mid-March. Delegates who have paid their own District Assembly expenses and wish reimbursement will need to request payment from their congregations. *No travel equalization reimbursements will be made from the district office directly to delegates.*

Allocations for each qualifying congregational and ministerial delegate are as follows:

- from Alaska - \$150
- >300 miles from Bellevue - \$75
- 125-300 miles from Bellevue - \$40
- <125 from Bellevue - \$0

Determinations are based on distance to Bellevue from each congregation's mailing city. A mileage table of qualifying congregations follows. The mileage tool used is:
www.maps.google.com.

Questions about Delegate Travel Equalization may be directed to the **district office** at 800-313-PNWD (7693).
