

General Assembly Youth Scholarship Application

The Pacific Northwest District Chalice Lighters have raised funds to support each congregation sending one high school-aged youth to General Assembly in 2007. GA is a wonderful opportunity for youth to experience the greater Unitarian Universalist community. The youth registration form can be found at: <http://uua.org/ga/ga07/YouthRegistrationForm.pdf>.

Does your congregation intend to send a youth to GA? Yes No

If yes, we will send your congregation reimbursement for the cost of one youth early registration fee (\$160, due to GA registrar by April 30). **In order to receive a reimbursement, this form must be returned by May 1 and we must receive a copy of your youth's registration form by May 11.**

Please note, GA rules require each youth to be accompanied by an adult sponsor. Sponsor Guidelines are available on the youth registration form at the above link.

Please submit this form to: GA Scholarship Committee

What does being a Sponsor for a Youth participant entail?

All youth must have an adult sponsor at GA who is responsible for support and supervision of the youth.

Each adult may sponsor up to three youth. Sponsors must be at least 25 years old, registered for GA, and must stay in the same hotel or housing (sponsors need not stay in the same room) as their sponsored youth.

While the Youth Caucus Staff provides youth-focused programming, they are not responsible for supervising the youth at GA.

Any questions about these policies can be directed to the YRUU office at 617-948-4350.

Additional Funds Request

The goal of this scholarship fund is to ensure each congregation in the Pacific Northwest District sends at least one youth to General Assembly. We will guarantee that each congregation sending a youth will receive reimbursement for one youth early registration fee (\$160). We encourage congregations to fundraise to provide additional funds.

There may be additional scholarship money available from this fund to assist with travel and housing expenses for youth who would otherwise be unable to attend.

Are you requesting additional funds? Yes No

After all other financial resources have been accounted for, please detail what additional funding you require to send one youth (e.g. travel, housing, meals, etc.)

There may be funds available to help partially support additional youth costs. Please indicate how many youth in your congregation would like to attend.

Based on the needs of your youth group, how much additional funding do you anticipate needing for these youth to attend? _____

This application must be received by May 1.
